

Allocation of AI points

Graduation requirement

- The acquisition of AI points is a prerequisite for graduation at the end of the 5-year Grande Ecole Program.
- The number of AI points to be earned depends on your year of entry into the Grande Ecole Program:

Year of entry	AI points required to be graduated
PGE1	1500
PGE2	1250
PGE3	1000
PGE4	750

Allocation process

- At the end of each academic year, students must submit a detailed report on their activities. The program management assesses these reports and awards AI points accordingly.

Sanction et retraits de points

- Any behaviour likely to damage the school's image or run counter to aivancity's values may result in the withdrawal of AI points. These sanctions may be applied in addition to other disciplinary measures.
- Not completing course evaluation questionnaires will lead to a loss of AI points.
