

Privacy policy – AI Clinic

Student Name:

aivancity students, in the context of their work at the AI Clinic, undertakes on their honor to respect the confidentiality commitments set out below.

IT SHOULD BE NOTED THAT:

- A. aivancity is setting up an AI Clinic for companies wishing to develop AI or data science solutions within the framework of student projects. The Clinic is, first and foremost, a pedagogical innovation and does not create any legal link between the student and the Company.
- B. In the course of discussions relating to the Clinique's student project, it may appear desirable or necessary for the parties involved to pass on to each other certain confidential information of a technical, commercial, or financial nature held by each of them, from now on referred to as "Confidential Information(s)" and more precisely defined below.

Provided that:

- 1. In the context of this charter, the term "Confidential Information(s)" covers all information, in particular, that relating to the Company's activity, as well as all data transmitted by one or the other between the Clinic, the student and the company member of the Clinic, in writing or orally, and in particular by electronic message, recording, and including without limitation all written or printed documents, all samples, data, specifications, business secrets, registered or pending patents, know-how, knowledge, concepts, data, financial, organizational, technical or commercial documents, computer programs, databases, software, copyrights, trademarks, customers and prospects, in particular transmitted by any means of disclosure used within the framework of the Clinic.

Data shall be treated as confidential, whether the wording "confidential" or any other similar terminology is used or whether no such terminology is used in notes, studies, analyses, or other documents.

- 2. The student who receives Confidential Information as part of the Clinic undertakes on their honor to ensure that this Confidential Information:
 - a. is protected and kept strictly confidential and is treated with the same degree of care and protection as it accords to its Confidential Information of equal importance;
 - b. are not used, in whole or in part, for any purpose other than that defined in the preamble above;
 - c. not be used, in whole or in part, for a project outside the Clinic for which they do not have the written consent of the Company from which they originate;
 - d. not be communicated or likely to be communicated, either directly or indirectly, to any third party or person other than those mentioned in article 5 below;
 - e. and shall not be copied, reproduced, or duplicated in whole or in part unless the aivancity managers of the Clinique have authorized such copying, reproduction, or duplication.
- 3. The student who receives the Confidential Information will not be subject to any restriction as to its use or transmission if he can provide proof:

- a. the Confidential Information has fallen into the public domain before their transmission or after it, but in this case, in the absence of any fault attributable to him;
 - b. the Confidential Information are already known to it, this prior knowledge being demonstrated by the existence of appropriate documents in its files;
 - c. the Confidential Information has been legally received from a third party without restriction or violation of this agreement;
 - d. the use or transmission has been authorized in writing by the Company from which it originates;
 - e. the Confidential Information are the result of internal developments undertaken in good faith by members of the Clinique who have not had access to this Confidential Information.
4. All Confidential Information and reproductions transmitted to the Clinic will remain the property of the Company that disclosed it.
